

GOLF 4 A CURE 2007

Kate Ludlam (second from the right) of The B.C. Cancer Foundation receives a cheque for \$21,500.00 from Lorna Semple (far right) together with other tournament organizers raised at the 2007 Golf 4 A Cure Golf Tournament.

Thank you to:

One hundred and sixty golfers participated and with the help of our title sponsor, Golden Eagle Golf Club, this year's donation is \$21,500.00 adding this to the last five years and we have donated \$78,500.00 to cancer research and technology. Each of us has been touched by cancer in some way, either through a family member or a friend and by coming together to raise funds we will make a difference. The BC Cancer Foundation has a "wish list" and on the list are several meaningful projects. With our donation they will be able to fully fund one of their projects. A special thank you is extended to all of the participants and especially to those who have supported our efforts for each of the last six years. We look forward to your continued support to ensure that Golf 4 A Cure continues to be successful.

2007 TITLE SPONSOR

Golden Eagle Golf Club
